

Linea L

Barcode reader for iPhone

Multifunctional reader for iPhone® Plus that expands the possibilities of iOS and converts the Apple device into a versatile and powerful work tool adapted to mobility environments. It includes a 1D/2D barcode reader, in addition to optional Contactless reader and Bluetooth technology. The Linea L includes a rechargeable long-lasting battery and offers simultaneous loading of both Linea L and iPhone's batteries. The reader is ideal for use in retail, logistics, transport, pharmacy, hospital and catering applications.

Benefits:

- Ease the inventory work at the point of sale and warehouse, as well as the management of delivery notes and merchandise.
- Excellent scanning performance, ideal for mobility workers and intensive reading working days.

Main specifications:

- Compatible con iPhone 6 Plus, iPhone 6s Plus, iPhone 7 Plus e iPhone 8 Plus.
- 1D or 2D barcode reader (optional).
- Contactless card reader (optional).
- Bluetooth (optional).
- Lithium-ion rechargeable battery: 2.400 mAh 3.6V .
